(d) If the online dating service provider conducts sex offender registry searches and the provider has a policy allowing a member who has been identified as being on a sex offender registry to have access to its service to communicate with any member in this State, the provider shall clearly and conspicuously disclose on any communication to a member in this State from the member who has been identified as having been on a sex offender registry, and on any web page that is seen by or transmitted to a member in this State that contains the personal information for the member who has been identified as having been on a sex offender registry and that is seen by or communicated to a member in this State, a disclosure that shall read:

"THIS PERSON HAS BEEN IDENTIFIED AS A CURRENT OR FORMER SEX OFFENDER REGISTERED ON ONE OR MORE SEX OFFENDER REGISTRIES."

(e) Prior to disclosing to any member or publicizing in any manner that a member has been identified as having been on a sex offender registry, the provider shall, if it conducted the search in accordance with item (1) of Section 10, notify the member identified as having been on a sex offender registry of the results of the search. If the provider conducts the search in accordance with item (2) of Section 10, it shall notify and require the private vendor to contact the member having been identified as having been on a sex offender registry regarding the results of the search.

If within 10 days of receipt of notification the member disputes the accuracy of his or her status as having been on a sex offender registry, the provider either personally or through its vendor shall, within 30 days of receipt of information from the member contesting the accuracy of the sex offender search, make a determination of its accuracy and so notify the member.

Section 20. Provider policies; disclosure. An online dating service provider that conducts sex offender registry searches shall establish an automatic electronic link to a web page that provides a safety awareness notification. At a minimum, the safety awareness notification shall provide the following:

- (1) A statement that reads:

"PERSONAL SAFETY AWARENESS NOTICE CAUTION:

The sex offender registrant searches for sex offenders convictions are not foolproof and are not intended to give members a false sense of security. Sex offender registrant searches are not a perfect safety solution and offenders may circumvent even the most sophisticated search technology or registration requirements.

Not all sex offender records are public in all states and not all databases are up-to-date. Only publicly available sex offender registrant data is included in the search.

Anyone who is able to commit identity theft can also falsify a dating profile.

There is no substitute for using good common sense and acting with caution when communicating with any stranger who wants to meet you."

- (2) A list and description of safety measures reasonably designed to increase awareness of safer dating practices as determined by the provider.

Section 25. Application. Any online dating service provider that signs up members from Illinois must comply with the provisions of this Act.

Section 30. Jurisdiction. An online dating service that engages in the act of transmitting files over the Internet addressed to residents of the State, and the act of accepting membership fees from residents of the State, means that the online dating service is operating, conducting, engaging in, and otherwise carrying on a business in the State, subjecting the online dating service providers to regulation by the State and to the jurisdiction of the State's courts.

Section 35. Unlawful practice. Failure to comply with the disclosure requirements of this Act shall constitute an unlawful business practice under the Consumer Fraud and Deceptive Business Practices Act. Each failure to provide the required disclosure constitutes a separate violation.

Section 40. Exemptions.

(a) An Internet service provider does not violate this Act as a result of serving as an intermediary for the transmission of electronic messages between members of an online dating service provider.

(b) An Internet access service or other Internet service provider shall not be considered an online dating service provider within the meaning of this Act as to any online dating service website provided by another person or entity.

(c) An Internet service provider that has fewer than 1,000 members is exempt from the requirements of this Act.

Section 45. Severability. If any provision of this Act or its application to any person or circumstance is held invalid, the invalidity of that provision or application does not affect other provisions or applications of this Act that can be given effect without the invalid provision or application.

Section 90. The Consumer Fraud and Deceptive Business Practices Act is amended by changing Section 2Z as follows:

(5) "Depiction by computer" means a computer program or data that, after being processed by a computer either alone or in conjunction with one or more computer programs, results in a visual depiction on a computer monitor, screen, or display.

(6) "Computer", "computer program", and "data" have the meanings ascribed to them in Section 16D-2 of this Code.

(7) "Child" includes a film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer that is, or appears to be, that of a person, either in part, or in total, under the age of 18, regardless of the method by which the film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer is created, adopted, or modified to appear as such. "Child" also includes a film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer that is advertised, promoted, presented, described, or distributed in such a manner that conveys the impression that the film, videotape, photograph, or other similar visual medium or reproduction or depiction by computer is of a person under the age of 18.

(8) "Sexual penetration" and "sexual conduct" have the meanings ascribed to them in Section 12-12 of this Code.

(g) Re-enactment; findings; purposes.

(1) The General Assembly finds and declares that:

(i) Section 50-5 of Public Act 88-680, effective January 1, 1995, contained provisions amending the child pornography statute, Section 11-20.1 of the Criminal Code of 1961. Section 50-5 also contained other provisions.

(ii) In addition, Public Act 88-680 was entitled "AN ACT to create a Safe Neighborhoods Law". (A) Article 5 was entitled JUVENILE JUSTICE and amended the Juvenile Court Act of 1987. (B) Article 15 was entitled GANGS and amended various provisions of the Criminal Code of 1961 and the Unified Code of Corrections. (C) Article 20 was entitled ALCOHOL ABUSE and amended various provisions of the Illinois Vehicle Code. (D) Article 25 was entitled DRUG ABUSE and amended the Cannabis Control Act and the Illinois Controlled Substances Act. (E) Article 30 was entitled FIREARMS and amended the Criminal Code of 1961 and the Code of Criminal Procedure of 1963. (F) Article 35 amended the Criminal Code of 1961, the Rights of Crime Victims and Witnesses Act, and the Unified Code of Corrections. (G) Article 40 amended the Criminal Code of 1961 to increase the penalty for compelling organization membership of persons. (H) Article 45 created the Secure Residential Youth Care Facility Licensing Act and amended the State Finance Act, the Juvenile Court Act of 1987, the Unified Code of Corrections, and the Private Correctional Facility Moratorium Act. (I) Article 50 amended the WIC Vendor Management Act, the Firearm Owners Identification Card Act, the Juvenile Court Act of 1987, the Criminal Code of 1961, the Wrongs to Children Act, and the Unified Code of Corrections.

(iii) On September 22, 1998, the Third District Appellate Court in *People v. Dainty*, 701 N.E. 2d 118, ruled that Public Act 88-680 violates the single subject clause of the Illinois Constitution (Article IV, Section 8 (d)) and was unconstitutional in its entirety. As of the time this amendatory Act of 1999 was prepared, *People v. Dainty* was still subject to appeal.

(iv) Child pornography is a vital concern to the people of this State and the validity of future prosecutions under the child pornography statute of the Criminal Code of 1961 is in grave doubt.

(2) It is the purpose of this amendatory Act of 1999 to prevent or minimize any problems relating to prosecutions for child pornography that may result from challenges to the constitutional validity of Public Act 88-680 by re-enacting the Section relating to child pornography that was included in Public Act 88-680.

(3) This amendatory Act of 1999 re-enacts Section 11-20.1 of the Criminal Code of 1961, as it has been amended. This re-enactment is intended to remove any question as to the validity or content of that Section; it is not intended to supersede any other Public Act that amends the text of the Section as set forth in this amendatory Act of 1999. The material is shown as existing text (i.e., without underscoring) because, as of the time this amendatory Act of 1999 was prepared, *People v. Dainty* was subject to appeal to the Illinois Supreme Court.

(4) The re-enactment by this amendatory Act of 1999 of Section 11-20.1 of the Criminal Code of 1961 relating to child pornography that was amended by Public Act 88-680 is not intended, and shall not be construed, to imply that Public Act 88-680 is invalid or to limit or impair any legal argument concerning whether those provisions were substantially re-enacted by other Public Acts.

HOUSE RESOLUTIONS

The following resolutions were offered and placed in the Committee on Rules.

HOUSE RESOLUTION 1260

Offered by Representative Coulson:

WHEREAS, The medical community is united in its concern over the rapid spread of drug-resistant bacteria including methicillin-resistant *Staphylococcus aureus* (MRSA); and

WHEREAS, In August of 2007, the State of Illinois passed legislation requiring public reporting of MRSA in all acute care hospitals using ICD-9-CM codes from hospital discharge data; and

WHEREAS, The National Healthcare Surveillance Network (NHSN), developed by the Centers for Disease Control and Prevention (CDC), is a secure, internet-based surveillance system that integrates patient and healthcare personnel safety surveillance systems managed by the Division of Healthcare Quality Promotion (DHQP) at CDC; and

WHEREAS, The states of California, Colorado, Connecticut, Delaware, Massachusetts, New York, Oklahoma, Pennsylvania, South Carolina, Tennessee, Vermont, Virginia, and Washington have designated NHSN in legislative mandates requiring hospitals to report healthcare-associated infections; and

WHEREAS, Analysis indicates that discharge data underestimate the true number of MRSA infections and do not distinguish between community and healthcare associated infections; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recommend that the National Healthcare Surveillance Network (NHSN), developed by the Centers for Disease Control and Prevention (CDC), should be adopted as the mechanism for public reporting of MRSA by Illinois hospitals.

HOUSE RESOLUTION 1261

Offered by Representative Coulson:

WHEREAS, The medical community is united in its concern over the rapid spread of drug-resistant bacteria, including methicillin-resistant *Staphylococcus aureus* (MRSA); and

WHEREAS, In August of 2007, the State of Illinois passed legislation requiring hospitals to screen all at-risk patients for MRSA; and

WHEREAS, Leading experts on infection prevention and control in the nation, including the Association for Professionals in Infection Control & Epidemiology (APIC) and the Society for Healthcare Epidemiology of America (SHEA), opposed legislation mandating active screening cultures for MRSA; and

WHEREAS, A major study published in the Journal of the American Medical Association (JAMA) in March of 2008 found that widespread screening of patients for MRSA in a Swiss hospital did not reduce the number of hospital-acquired infections and was not cost effective; and

WHEREAS, A study in the March 2008 issue of the Annals of Internal Medicine reported that screening all hospital patients for MRSA can sharply reduce hospital-acquired infections; and

WHEREAS, Two research studies, published a week apart, have produced contradictory findings on the merits of active screening of patients for MRSA control; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we recommend a thorough and complete assessment by

the Illinois Department of Public Health (IDPH) in conjunction with the Centers for Disease Control and Prevention (CDC) into the effectiveness of the Illinois screening legislation for preventing the spread of MRSA in Illinois hospitals; and be it further

RESOLVED, That we request the submission of a final assessment to the Illinois House of Representatives on or before April 30, 2009.

HOUSE JOINT RESOLUTION 130

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that the section of Illinois Route 150 from Turkeyfarm Road (CR200E) through the Village of Mahomet to Prairieview Road (CR520E) be designated as Veterans Parkway in honor of the great sacrifices that our veterans have made for our nation; and be it further

RESOLVED, That the Illinois Department of Transportation is requested to erect at suitable locations, consistent with State and federal regulations, appropriate plaques or signs giving notice of the name of Veterans Parkway; and be it further
